

# Destination® Pavers

Featuring Genesis Face-mix Technology™

Manufactured in the USA By

**Destination® Pavers** are offered in nine sizes that fit together seamlessly and afford unlimited design freedom. This versatility allows for simple or dramatic combinations that blend well with other paver accents to become the quintessential focal point of any property.

Available in the following colors:

Purpose

Aspire

Intention

Exalt

Serenity

Timeless

The organic appearance of Destination Pavers simulates flagstone aesthetics at its finest.

*The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.*

## Installation Patterns

### Sidewalk Installation Pattern

\* Approximately 57.5" in width

**Note:** Textured paver and patio stone surfaces require a buffer between the plate compactor and the paver surface to prevent scuffing. Refer to County Materials' Interlocking Concrete Paver or Slab Installation Guidelines, or contact County Materials for information.
